## **Intersection Improvement on Dundee Road at N. Wilke Road and Kennicott Avenue**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that preliminary work to improve the intersections of Dundee Road (Illinois 68) at N. Wilke Road and Dundee Road (Illinois 68) at Kennicott Avenue, in Arlington Heights and Buffalo Grove, will begin, weather permitting, Monday, Feb. 15.

The project will add a right turn lane from eastbound Dundee Road to N. Wilke Road and from eastbound Dundee Road to Kennicott Avenue.

The overall improvements to the intersections will modernize traffic signals, improve pedestrian safety and ease traffic congestion coming off of Illinois 53. The project is expected to be completed in Summer 2016.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
